Hi Shi,

The painting looks incredible! I have two small requests that can hopefully be achieved. These are:

1. Can a brown edge be added around the entire painting if there is enough trim left on the canvas? I've attached an image (magritteframe.jpg) to indicate this. It's just I've noticed the edge of the original canvas is painted brown and want it to look the same when it is wrapped.
2. Could the dot for the i be moved slightly to the left in "the valise" under the suitcase? I've attached (valise.jpg) to illustrate how this should look.

Apart from this it looks perfect and I cannot wait to receive it. My thanks to you and your artists.

Kind regards,

Jeremiah.

Hi Shi,

I would need it posted to the UK, would that price include postage to the UK?

If so please send on the relevant PayPal details. I assume I pay 50% after I am happy with an image of the painting?

Also, as an artist I am curious about who and where this is painted as your service fascinates me. Would it be possible to get some images of the setting it is painted in and of the artist who painted it?

Many thanks for your assistance.

Kind regards,

Jeremiah.
